

# Sweet Sugar Cane

Sweet sugar cane is the natural signature and very important industrial crop in Chonburi because of it has many agricultural areas in Eastern, especially Ban Bung, Bo Thong, NongYai, Sriracha and Bang Lamung districts.

Ban Bung district, there is well known of sugar cane in Chonburi. The sugar canes are very sweetest and that was the legend of music as **“Sao Rai Aoy”** the famous song at that time.

On earlier world war two in 1937 BC. Most of people in this area did the sugar canes farm and delivered to the factory to produce brown sugar. It is the main ingredient in sweets in those days.

In addition, the agricultural of sugar cane is very important for local people in Chonburi long time ago and including a prominent feature of the sugar cane in Chonburi with extra sweetness. It is become the slogan of Chonburi province as **“Beautiful Beaches, Delicious Khao Lam, Sweet Sugar Cane, Delicate Basketry Products and Buffalo Racing”**
